June 22 nd – 24 th	Grinder camp Tryouts	6:00-8:00pm	Dillon Park Fields

The Grinders are the Noblesville Elementary Football League Travel team. The Grinders team is selected from the current 4th and 5th grade players. Each player will be selected by the Noblesville Grinder coaching staff after the Try-out session. It is recommended that all players attend the Noblesville High School recreation camp, and for the current 5th graders to attend the NIS camp from May 17-21st.

"The future of Noblesville Football depends on the development of those players at the youth level. This camp is a step in the right direction to achieving our ultimate goal of winning a state championship. This camp will enable the Noblesville High School coaching staff along with the Grinders Football staff to start developing a relationship with these players at the youth level. The camp will allow the staff to properly teach the drills and skills we believe are most important. The most important skill is FUN. I believe playing football at this age should be fun. Some of my best memories of football came during this time in my life playing football at the youth level. I truly believe that football should be a positive experience for your son and I will do my best to make this happen."
